The Funding Agreement states that the composition of the Governing Body shall be as laid down in the Articles of Association, as follows:

- Up to 8 Governors, appointed by the members.
- Any staff Governors, so long as they do not, including the Principal, exceed one third of the total governors.
- A minimum of 2 Parent Governors.

- The Principal (ex-officio).
- Up to 3 Governors co-opted by the members of the Governing Body appointed by the members.
- (Any Additional Governors appointed by the Secretary of State if a warning notice has been issued to Governors for under-performance of pupils, a breakdown in the way the Academy is managed or governed, or the safety of pupils or staff is threatened).

At the moment, the Governing Body has 9 Governors plus the Principal, of whom we think 6 have been appointed by the members, and 2 co-opted by the Governors, plus one Staff Governor. There are two Parent Governor vacancies.
